It is my golden opportunity, being the head of the Institution to publish another volume of the IQAC Newsletter, one of the well appreciated programme under the banner of UGC. By publishing bimonthly Newsletter, I get immense pleasure. Principal's Voice

I along with the help and cooperation of my esteemed colleagues simply trying to reactivate all the curricular and extra-curricular activities of my institution by assuring all its transparencies through publication of Newsletter. It is certainly a praiseworthy programme of UGC for enhancement of quality in higher education. With the dawn of globalization and almost all the States of the world seems to be welfare and cooperative States trying to provide mutually their possible service and facilities to all particularly the youth to support and sustain themselves. In this context, quality of education is deemed to be highly essential which shall cope with demand of the day. Thus I am extremely thankful to UGC for launching and extending this programme to promote potentiality among the youth, who can cope with other and be able to reach their own destination. So this programme entirely dedicated for betterment of all in the era of good governance.

My colleges have been working dedicatedly together and devoting their time, energy and mind whole heartedly for maintaining internal quality assurance in this institution. I am very much thankful to them.
